

Kentucky State Building and Construction Trades Council

The council represents 14 crafts, totaling 68 Local Unions and Councils that represent around 18,000 members.

The crafts are as follows-

Boilermakers

Teamsters

Bricklayers

Plumbers and Pipe Fitters

Heat and Frost Insulators

Sheet Metal Workers

Laborers

Plasterers and Cement Finishers

Operation Engineers

Roofers

Electricians

Painters

Iron Workers

Elevator Constructors

Each of our Locals have Certified Apprenticeship Programs that range from 4 to 5 years of training while earning wages and benefits on the job. Some of our larger projects currently are the Ford/SK Blue Oval Project in Glendale, KY, the Ascend Elements Project in Hopkinsville KY, the VA Hospital Project in Louisville KY, and the Brent Spence Bridge Project in Norther KY/Cincinnati. Along with several other smaller projects. We can complete large projects and small residential projects as well.
